

Welcome to the Kroger Fundraising Gift Card Program!

Advantages of Program

Help your Organization Year Around with this Easy Way of Support!

- 1. COST: \$5.00 (Value already on card)** - Supporters can reload their Kroger Fundraising Gift Cards at any Kroger store and pay with cash, check, debit card or major credit card. Kroger Fundraising Gift Cards can be reloaded at Guest Services or at any register inside your local Kroger store (Self-Scans/U-Scans can not be used). **Important:** If you reload at the register and use the card to pay for your purchases, please ask the cashier to reload **before your purchases are rung**. There is a five-minute delay from the time your gift card is recharged at Guest Services, Pharmacy or the Fuel Center. This does not apply if the gift card is reloaded and redeemed at the same register.
- 2.** Kroger Fundraising Gift Cards can be reloaded anytime, at any Kroger store, for any amount from \$5.00 to \$500.00. Each time the cardholder reloads their fundraising card, your organization will receive 5% credit of the total dollar amount reloaded on the card.
- 3.** Kroger Fundraising Gift Cards are a simple and easy way to purchase fuel and groceries at Kroger! Services excluded are defined as Money Orders, Western Union, Lottery Tickets or Postage Stamps. A Kroger Fundraising Gift Card cannot be used to purchase another Gift Card. Supporters only have to purchase and use ONE card at a time from the fundraising coordinator. **This card can be reloaded and used over and over again.**
- 4.** Kroger Fundraising Gift Cards will not expire unless there is a remaining balance of zero for 90 days or more. **There is no monthly fee, and you may still use your Kroger PLUS Card when checking out for discounts.** The Kroger Co. is not responsible for lost or stolen cards; however, having the card number can aid Guest Services in tracking the card activity.
- 5.** If your Kroger Fundraising Gift Card will not scan, ask your cashier to manually enter the card number until you have depleted the funds on the card, making it a zero balance. Once the damaged card has reached a zero balance, simply dispose of the card and purchase a new card from your fundraising coordinator. Do not attempt to reload a gift card that will not scan or is damaged, or purchase a store gift card to replace the damaged card, since it won't be linked to your organization.
- 6.** The Kroger Fundraising Gift Card will expire only when the card remains at a zero balance for 90 days or more. Once the card expires, it will need to be replaced with a new card from your fundraising coordinator. An expired gift card cannot be re-activated.
